

8F.5 Enforcement.

Any service contract awarded to a recipient entity shall provide that the oversight agency may terminate the service contract if the recipient entity, during the duration of the contract, fails to comply with the requirements of this chapter. In addition, the service contract shall provide a mechanism for the forfeiture and recovery of state or federal funds expended by a recipient entity in violation of the laws applicable to the expenditure of the money or the requirements of the service contract and this chapter.
